REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Independent Claims 1, 28 and 55 renumbered to 1, 26 and 51 among other things teach the limitation "enabling retention of the location specific content within the client device for a period of time, including transmitting expiration data and time for select content to the device for presentation and enabling retention for presentation only while the client device is present at the location of the location specific device" in a computer communication environment.

The prior art does not teach the cited limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
